Tolomeo Capital appoints Director of Finance & Compliance

Zurich/London, October 3, 2017 - Tolomeo Capital AG, the Swiss based systematic asset manager, announced the appointment of Sonja Frech to the newly created position of Director of Finance & Compliance. With this move the company extends its team in a significant way.

Sonja Frech held senior Finance and Controlling positions in several financial and industrial firms and worked for a large German energy company in mergers & acquisitions, investment controlling and extrajudicial debt enforcement proceedings before co-founding a large Swiss family office and serving as its CFO.

Ivan Popovic, Managing Partner of Tolomeo Capital, said: "With the company continuously growing, we needed a substantial reinforcement of our capacities. We are delighted that Sonja decided to join our firm in the newly created position of Director of Finance & Compliance. As a highly qualified professional she brings considerable expertise to Tolomeo Capital and perfectly fits in our team complementing its existing skill sets."

About Tolomeo Capital

Tolomeo Capital is a systematic asset manager. It was established in 2011 as a spin-off of the quant and risk management unit of one of Switzerland's largest institutional family offices. The firm focuses on quantitative, technology-driven investment strategies with a strong emphasis on risk-adjusted returns. Tolomeo Capital uses a proprietary and state-of-the-art technology infrastructure. It constantly improves its set of productive trading systems, adding new diversifying quantitative models in order to deliver uncorrelated alpha over the long term. Tolomeo Capital is regulated and licensed as an asset manager of collective investment schemes by the Swiss Financial Market Supervisory Authority (FINMA).
